

THE CHURCH OF ST. JOHN THE EVANGELIST

To all potential clients of Clean Works,

I write to commend the services of Clean Works to you.

We found the Management of Clean Works to be very attentive to our specific needs. They were quite conscientious about meeting our needs and did so promptly. They regularly checked on their workers to maintain good standards.

Their cleaners took great care to follow the instructions we provided. They were courteous and pleasant to our other staff and those who used our building.

Yours sincerely,
